Jonathan Reynolds, CEO & Talent Strategist

The Positive Power of Servant Leadership

Learn why creating a culture of belonging, safety, and trust is the pathway to innovation, collaboration and high performance.

As CEO of Titus Talent Strategies, Jonathan is a visionary, entrepreneur and game-changer. He is energized by inspiring company leaders and equipping them with unique approaches to better understand their people, foster organizational alignment, and create optimum performance among their team members.

Growing up in the UK, and living in the US since 1998, Jonathan has almost 20 years of experience in the people industry. He started Titus Talent after experiencing firsthand that the traditional recruiting model was broken and had to be changed to produce better results and create lasting partnerships. Jonathan currently leads a unique, fast growing team of talent consultants who are located across the United States. Jonathan is a creative problem solver (with a delightful British accent) and currently consults with companies nationally on how to approach their talent strategy. www.jonathanreynolds.life
