

Callie Zipple Student Scholarship

All scholarship applications must be submitted by September 30, 2021 to be considered.

Callie Zipple was a determined and talented young woman who had a passion for life and a drive to make the world a better place. She modeled an ideal SHRM volunteer giving of her time and talents at the chapter, and state leader. Her dedication as a volunteer was clear as she readily introduced new ideas and worked with SHRM colleagues to support the HR community.

Shortly before her passing, she was provided the opportunity to serve the HR community in a role only the select few achieve, as a SHRM Field Service Director. This provided Callie the opportunity to share her skills and talents beyond Wisconsin but throughout the U.S.

While Callie touched so many lives, she was proud to call Wisconsin her home. She would share many of the accomplishments that state council and chapters had achieved. She was a kind soul and had a genuine personality willing to help chapter members learn and grow at all stages of their careers. She had amazing potential to contribute to the profession, even beyond all the things she had done in her young life but was taken from us far too early.

Two- and Four-Year Students Eligible

WI State Council SHRM is offering a \$1500 scholarship to students pursuing a career in human resources. Applications are accepted in the fall of every year with the recipients being announced in October at the WI State SHRM Conference. This is one of the easiest scholarships to apply for - so apply now!

Applications must meet the following criteria:

- There will be one \$1500 non-renewable scholarship awarded to eligible Wisconsin college students

Eligibility Requirements

- Enrolled as a full-time student in a two- or four-year business-related undergraduate program, such as human resources or related course of study at a Wisconsin college or university
- Overall GPA of 2.75 or higher

Students who have already received full scholarships to attend a university are not eligible to apply

Scholarship Selection Criteria

- All-around academic standing
- Participation in university and community activities
- Demonstration of leadership qualities
- Interest in the human resources field
- Preference will be given to Human Resource Management majors and those with relevant and related work experience.

To be considered for a scholarship, students must provide the following information:

- A purpose statement one page in length describing why you are pursuing a degree in HR or your related field
- Current resume
- List all school activities, including SHRM and relevant organizations, in which you have participated during your college experience. List all community activities in which you have participated without pay. Note all special awards, honors, and offices held. Include participation in any research projects as well.
- Transcript (official or unofficial)
